**Re: Rembrandt Technologies, LP v. Fox Entertainment Group, Inc., et al.  
C. A. No. 06-731 (GMS)**

---

Dear Judge Sleet:

We represent defendants Fox Entertainment Group, Inc. and Fox Broadcasting Company in the above-captioned action involving U.S. Patent No. 5,243,627 (the "'627 patent"). We are writing to join in Mr. Blumenfeld's March 21, 2007 letter requesting a joint scheduling conference for the five cases involving the '627 patent. Although we are not available on March 26, we respectfully submit that the requested postponement of the scheduling conference in C.A. No. 06-635-GMS would serve the interests of judicial economy. In that regard, we respectfully request that Your Honor consider a joint scheduling conference for these matters. Our strong preference, due to attorney availability, would be for the scheduling conference to occur after April 10. Thank you for your consideration.

Respectfully,

*/s/ David E. Moore*
